

Dear Spectrum Parents and Guardians:

We, Afton Edson, Leigh Charping, and Kelsey Abbott, would like to welcome you and your freshmen to Spectrum High school! We are a part of the senior class and have put together a program called S.O.S. - Simplifying the Overwhelming System – as a part of our senior project. The program has been designed in order to help your freshman have an easier transition into high school.

On Thursday, August 21 we will be hosting a workshop specifically for freshmen. Our purpose for having this workshop is to ensure that the freshman class will know what to expect at Spectrum High School and will feel more comfortable approaching and interacting with teachers and their fellow students.

A few of the topics that we will be covering are listed below. In addition to these, the students will also be participating in team building activities.

- Explaining transcripts and the importance of maintaining a high GPA.
- Giving methods to handle the increased homework load.
- Introducing the students to teachers in a relaxed setting.
- Showing examples of how to efficiently organize a locker.
- Discussing the social side of high school.
- Give information on various school clubs, organizations, functions, and after school activities.

If your student will be attending this event, please R.S.V.P. by August 17th to sos.kal2009@hotmail.com. We will be ordering Chipotle and Jimmy John's for lunch on Thursday. Therefore, when you R.S.V.P., please indicate whether your child would prefer Chipotle or Jimmy John's and what they would like to order. If you plan on ordering Jimmy John's, you can find a menu at <http://www.jimmyjohns.com/menu/menu.aspx>. Prices are listed. If you plan on ordering Chipotle, you can find a menu at <http://www.chipotle.com/assets/menu.pdf>. Prices, however, are not listed. Payment for lunch must be made before the 21st and will be non-refundable. Please bring your money and order in a sealed envelope to the Spectrum High School front office. If your child does not wish to order Chipotle or Jimmy John's, they are responsible for bringing their own lunch.

The S.O.S. event will be starting at 11:00 a.m. and will be ending at 5:30 p.m., or when the Open House begins. Participating students may arrive as early as 10:00 a.m.

If you have any comments or questions, feel free to email us at sos.kal2009@hotmail.com. We hope to see you and your student on August 21.

Sincerely,
Seniors
Afton Edson
Leigh Charping
Kelsey Abbott

If you plan on ordering Jimmy John's, you can find a menu at <http://www.jimmyjohns.com/menu/menu.aspx>. Prices are listed. If you plan on ordering Chipotle, you can find a menu at <http://www.chipotle.com/assets/menu.pdf>. Prices, however, are not listed.
