2. When compared to local schools with similar demographics that students might otherwise attend (grade levels and subject areas), Spectrum students will perform as well or better on the ACT test.
3. Spectrum will maintain an average state-determined minimum growth score between 0 and -0.5.
4. The difference between the “all students” proficiency rate at Spectrum and any reportable subgroup proficiency rate on state accountability tests (MCA, MOD, MTAS) will be reduced in both reading and math over the term of the contract (2019-2024).
5. The percent of students who are in the “low risk” and “above average” categories on the FastBridge Math assessment in Grades 6, 7, 8, 9, & 10 will be at or above 50% in spring of 2023.

1. **The Board of Directors will work with the Executive Director to ensure the design and implementation of a comprehensive plan to ensure all Spectrum students receive life skills training (knowledge, skills, and attributes) prior to graduation. This will include a presentation to the Board by November 2022 an analysis of the program in June 2023 (see Strategic Plan Goal #1).**
2. The Board of Directors will work with the Executive Director to monitor the implementation of the online courses as part of the ongoing development of Spectrum’s online program (see Strategic Plan Goal #2). 3. The Board of Directors will monitor the design and implementation of a school-wide uniform teaching and learning framework for determining curriculum content, processing, aligning, and reviewing curriculum and assessment, establishing instructional expectations, and coordinating support systems.
